

# Singer Buys \$6.5 Million Of Cogar Stock

WAPPINGERS FALLS —

The Singer Company has purchased \$6.5 million of Cogar Corporation common stock, a Cogar spokesman said today.

George R. Cogar, president of the corporation, also purchased \$1 million of 7.5 per cent notes.

The Cogar Corporation manufactures large-scale, integrated circuit-memory systems for the electronic, data-processing industry.

It also designs and develops systems and equipment in the general field of computers, data processing and related equipment.
